MEMORANDUM FOR THE RECORD

SUBJECT: Briefing on CIA Security Background Investigation
and Reinvestigation for Lawrence Casey,
Administrative Assistant for Representative George
Wortley (R., NY)

1. On 5 August, I briefed Lawrence Casey, Administrative Assistant for Representative George C. Wortley (R., NY). Casey requested the briefing because of his interest in drafting legislation to control leaks, and to centralize security background investigations.

2. I gave an overview of the selection process and security approval procedures. Casey expressed surprise to learn that the process was complex, labor intensive, and applied to all CIA employees/applicants irrespective of position or status. He asked several questions about the polygraph program; my answers were generalized and undetailed.
